c) 2005 North Highland Avenue - is the Hilton Garden Inn Los Angeles/Hollywood, which is in HHWNC's Area 4 and City Council District 4.

The hotel's prior conditional use permit to sell alcohol for on-site consumption had expired inadvertently when (or soon after) the hotel's ownership changed. They also had been a problem with the noise coming from the hotel's outdoor patio dining area facing Highland Avenue.

Following a discussion, the PLUM Committee voted (5 to 0) to recommend that HHWNC's board support the hotel's application for a conditional use permit to sell alcoholic beverages or on-site consumption (and for off-site consumption for picnic basket meals going to the Hollywood Bowl and Ford Theaters), but subject to the condition that any speaker(s) directing noise north of the outdoor dining patio facing Highland Boulevard be turned off by 8 p.m. in order to allow The Belmont Nursing Home's residents to enjoy quieter evenings.

**Motion:** HHWNC supports the Hilton Garden Inn's application for a conditional use permit, but subject to the condition that the speaker(s) directing noise north of the outdoor dining patio facing Highland Boulevard be turned off by 8 p.m.

**Orrin made motion, Oren Katz 2<sup>nd</sup>. The motion was approved 20-0.**

d) **This agenda item was tabled.**

6801 West Hollywood Boulevard- is the Hollywood & Highland Shopping Center, which is in HHWNC's Area 4 and City Council District 13.

The Hard Rock Cafe Los Angeles is a tenant in the Hollywood & Highland Shopping Center.

The cafe is seeking to renew its conditional use permit (CUP) to sell alcoholic beverages for on-site consumption, change some of the conditions which were part of the original CUP, and change it's site plan to allow the cafe to rearrange how it utilizes its space for some special events.

The cafe has asked to be allowed to sell tickets to special events there, but currently is not allowed to do so unless the event is associated with a nonprofit organization. The cafe wants to be able to impose a cover charge for "comedy nights". The cafe has agreed to limit the number of these special events to 12 per year, but also would be allowed an unlimited number of "buyouts" when a customer comes to buy out the entire cafe. No promoters would be allowed. For the special event nights and the buyout nights, the cafe would be allowed to remove the tables in front of their stage area, and turn that space into a dance floor.

The cafe also has asked to be allowed to have karaoke, and has agreed to limit the hours when karaoke could occur to between 8 p.m. and midnight. Most of the committee

members believed that the site was well suited to karaoke and other live music because it's deep inside the shopping center.

The cafe volunteered to include a change of control provision so that their conditional use permit and site plan changes could be reviewed in the event of a change of control of the cafe.

Following the discussion, the committee voted (4 to 1) to recommend to HHWNC's Board that the Board support The Hard Rock Cafe Los Angeles' application for a conditional use permit renewal and site plan change(s) if it is modified to include the aforementioned conditions.

**Motion:** HHWNC supports the Hard Rock Cafe Los Angeles' application for renewing its conditional use permit and changing the site plan for the restaurant if the aforementioned conditions are included, which means limiting the number of special events to 12 per year, providing for no promoters, limiting karaoke to the hours between 8 p.m. and 12 midnight, and including a review of the conditional use permit and site plan if the restaurant's controlling ownership were to change.
