Neighborhood Council Leaders,

The Office of the City Clerk would like to extend a warm welcome to all new board members and particularly the new Financial Officers in the Neighborhood Council (NC) system. The NC system is indeed one of the gems in the City of Los Angeles, and we are proud to be able to provide the administrative support for NCs to run their financial operations successfully through the Neighborhood Council Funding Program.

The NC Funding Program was transferred from the Department of Neighborhood Empowerment to the Office of the City Clerk in July 2016. At that time, our City leaders had a vision to expand and strengthen support to the NC system while simultaneously allowing the Department of Neighborhood Empowerment to focus its staffing resources on capacity building and technical assistance in the field.

At the core of the City Clerk's approach to working with our NC system and creating the Neighborhood Council Funding Program Policies and Guidelines is TASC: Transparency, Accountability, Simplicity and Consistency. TASC is also the lens utilized in the creation of the online NC Funding System portal.

With the support from the Commission on Innovation and performance, the Office of the City Clerk was able to bring **simplicity** to the execution of financial transactions by NCs. The NC Funding System portal is an easy to use online platform for the NCs to request funds, track expenditures, upload documents, and generate financial reports. Utilizing the online platform, anyone with computer access can view spending trends by budget categories in detail creating a new level of **accountability** and **transparency** required in the expenditure of NC funds.

The Office of the City Clerk is committed to developing and implementing funding policies and guidelines that mirror sound accounting practices and make sense for the NC system. The **consistency** with which we will administer these funding policies and guidelines will make them both predictable and easy to follow. We will continue to work in partnership with our NC system, the Mayor, City Council, Office of Finance, Controller's Office, Risk Management, City Attorney's Office and Department of Neighborhood Empowerment to ensure that we continue to innovate and provide excellent service to the NC system.

Sincerely,

A handwritten signature in black ink, appearing to read "Holly L. Wolcott".

Governance and Administration

The Office of the City Clerk, Administrative Services Division, Neighborhood Council Funding Program (NC Funding Program) is pleased to distribute our “*NC Funding Program, Policies & Guidelines*.” It has been our goal since the NC Funding Program was transferred to our department to provide Neighborhood Councils (NC) with a fresh set of comprehensive policies that can be consistently applied and updated as necessary. These easy to follow guidelines build on the established financial management framework on which each NC is currently operating.

Background

On March 21, 2017, the Los Angeles City Council adopted ordinance 184835 which amended sections 5.517, 22.801(p), 22/810.1(g) and 22.815 of the Los Angeles Administrative Code in order to transfer administration of the NC Funding Program from Department of Neighborhood Empowerment to the Office of the City Clerk, and establish a trust fund for the City Clerk to administer NC Accounts. Said change came fourteen years after the inception of the NC Funding Program in March 2003 via Council File 02-0699.

Mission

Our Mission is to assist the NC System with its fiscal administrative needs as they relate to NC funding. Our philosophy in order to accomplish our mission is based on a two-pronged approach: 1) Facilitate access by the NCs to their annual budget allocation by making the process of spending public funds simple, while maintaining accountability and transparency, and 2) Ensure that public funds are spent appropriately following all City government laws, policies, rules, guidelines and expectations and that said regulations and policies are applied consistently across the NC System.

Administration of the NC Trust Fund

The Policies and Guidelines set forth in this set of documents (known as “policies”) are the governing rules for the NC Funding Program. The Policies and Guidelines are subject to revision at the discretion of the Office of the City Clerk, Administrative Services Division, NC Funding Program. The NC Funding Program may issue additional instruction(s) on NC Funding matters not addressed in these documents.

Authority to Administer the NC Trust Fund

Los Angeles City Charter Article IX Section 911.

Funds shall be appropriated into a special fund to be established by ordinance. The Mayor and Council shall thereafter appropriate funds for the department and NCs at least one year in advance of each subsequent fiscal year.

Los Angeles Administrative Code Section 22.810.1(g) Subsection (1) & (2)

Money appropriated in the budget of each year for certified NCs for the costs related to the functions, operations and duties of a certified NC shall be placed in the NC Fund. The functions, operations and duties of a certified NC include, but are not limited to, meeting and office space, office equipment, computers, supplies and communications, such as the costs associated with newsletters, postage or printing written materials. At the discretion of each NC, and as approved by the City Clerk, all or part of the money so appropriated may be used for neighborhood improvement projects. The City Clerk is authorized to promulgate all procedures, rules and regulations, as well as to issue any directives necessary for the administration of NC expenditures, including neighborhood improvement projects and Neighborhood Purpose Grants.

Plan for a Citywide System of NCs (the Plan)

The NC Funding Program derives additional guidance not already implicit in the City Charter or Administrative Code from the Plan, such as general financial accountability, funding responsibilities and expectations, including operations, outreach, neighborhood projects and grants, corrective actions and remedial measures.

NC Boards and Financial Officers

NC Funding Program Policy 1.0 - NC Boards and Financial Officers

In 1999, voters in the City of Los Angeles approved changes to the City Charter which added Section 900 to create the NC System. With the creation of the NC System, the Plan for a Citywide System of NCs (Plan) was also drafted and adopted. The Plan discusses financial accountability relative to NCs and the requirements for proper spending of public funds. The Plan also discusses Funding in Article IX which explains the purpose of the funding appropriated to NCs.

Each Certified NC's Governing Body is comprised of elected, selected, and/or appointed stakeholders. Each NC is allocated funds for their Office, Outreach, Election, Neighborhood Purposes Grants, and Community Improvement Project expenditures. Since NCs are City bodies who are subject to local, state and federal laws, and who use public funds for their activities, all expenditures by NCs must be agendaized and voted on at a properly noticed public meeting.

1. Fiduciary Responsibility

- a. All NC Board Members have the responsibility of ensuring that the funding account activity of their respective Boards complies with established Policies and Guidelines prescribed by the Office of the City Clerk. All Board members voting on funding-related matters at official NC meetings must complete and abide by all required trainings.
- b. If a Board member thinks they may have a potential conflict of Interest, they must contact the Office of the City Attorney prior to engaging in discussion or voting on any matters that may pose a potential conflict of interest.
- c. All funding-related matters must be included on a board agenda, discussed and approved at a public meeting that complies with all Brown Act and other meeting notification requirements. The board should include enough information on the agenda regarding a funding matter so that the public can make a reasonable decision whether they would like to attend and provide their input on the matter.
- d. Treasurers are to report the Monthly Expenditure Report (MER) to the board and its stakeholders on a monthly basis regarding the status of its NC Funding Program account including expenditures, outstanding expenditures, and the total remaining balance for the fiscal year. If at any time a funding discrepancy is discovered, the board should be notified immediately so that it may be discussed and corrected. If the discrepancy cannot be resolved or is of a nature that may involve criminal activity, the board should notify the NC Funding Program immediately.

2. Eligibility to Vote on Financial Matters

- a. To be eligible to vote on any NC Expenditure, Financial Reports, and/or annual budgets, the board member must:

Fiscal Year Annual Budget & Administrative Packet

NC Funding Program Policy 1.1 - Fiscal Year Annual Budget and Administrative Packet

“The fiscal year of the City shall begin on July 1 of each year and shall end on June 30 of the following year.” City of Los Angeles, Charter Sec. 310.

As an entity of the City of Los Angeles, the NCs adhere to the same fiscal calendar as the City of Los Angeles. Each fiscal year, the NCs will be given access to their annual allocation through the Office of the City Clerk’s prescribed method.

1. Annual Budget and Administrative Packet

Pursuant to Los Angeles Administrative Code Section 22.810.1 (g), NCs are to spend the funds on the functions, operations, outreach, and projects of the NC. The annual budget and Administrative Packet is a plan for the utilization of resources and expenditures. The annual budget and Administrative Packet should be used as a strategic financial road map to conduct activities that will help the NC achieve its mission, goals, and objectives. It should include the input of stakeholders, be accessible, and comply with the rules that govern the use of NC public funds.

- a. The annual budget is comprised of the following expenditure categories:
 - i. General and Operational Expenditures (comprised of three subcategories)
 1. Office/Operational
 2. Outreach
 3. Elections
 - ii. Neighborhood Purposes Grants
 - iii. Community Improvement Projects
- b. The Administrative Packet is a complete record of all items that support the NC's fiscal and administrative operations as the new fiscal year begins, which includes the annual budget form, Letter of Acknowledgement signed by all Financial Officers, information on administrative services such as office space, meeting space, storage facility, P.O. box, and website support services, as applicable to the NC.
- c. NCs must submit their annual budget and Administrative Packet to the Office of the City Clerk, NC Funding Program by the beginning of the new fiscal year in order to re-establish access to their allocated funds when the fiscal year starts.
 - i. NCs that have not submitted an annual budget and Administrative Packet to the NC Funding Program when the new Fiscal Year begins will be limited to **\$600.00**/month for Office/Operational expenditures only.
 1. This limited amount will be available for the first 3 months (first quarter) of the new fiscal year only to assist NCs to function in a basic capacity, including the ability to schedule a timely board meeting to review and take action on its annual budget and Administrative Packet.

2. If the annual budget and Administrative Packet are not submitted when the 4th month (second quarter) of the fiscal year begins, the NC's funds will be frozen.
- ii. Payment requests related to Outreach (including events), Elections, Neighborhood Purpose Grants, and Community Improvement Projects will not be allowed when the annual budget and Administrative Packet have not been submitted to and accepted by the NC Funding Program.

2. Annual Budget Specific Line Items

- a. The Office of the City Clerk will not accept specific line items in the annual budget as authorization for payments, except for monthly and recurring Office/Operations-related expenditures. These may include:
 - i. Office space leases
 - ii. Office supplies and equipment expenses, excluding inventory items
 - iii. Storage facility leases
 - iv. P.O. Boxes
 - v. Office telephone and Internet services
 - vi. **Meeting refreshments/snacks. Please see Policy 2.1.1.d for further explanation.**
 - vii. Website hosting and maintenance services
 - viii. Professional meeting/office-related services, i.e. translators, minute-takers, audio services
 - ix. Printing and copying for meetings/office-related purposes only
 - x. Business cards
 - xi. Postage
- b. Expenditures related to Outreach (including events), Elections, Neighborhood Purposes Grants, and Community Improvement Projects must be approved by the NC board at a Brown Act compliant meeting through separate board actions, not as specific line items in the annual budget.

3. Annual Budget Funds Rollover

- a. Effective February 1, 2019, a new policy will be implemented to allow for non-cumulative rollover of up to \$10,000 of unspent funds per fiscal year (FY) for each NC. Rollover funds will allow the NCs to make sound budgetary decisions throughout the FY, without the risk of forfeiting unspent funds, thereby eliminating the need to request last minute City Council Motions to move funds, or hold time consuming special board meetings in May/June to approve any unplanned expenditures. Instead, NCs will be allowed to accrue up to \$10,000 in unspent funds to add to the next FY's budget allocation.
- b. No more than \$10,000 may be rolled over from one FY to the next, on a non-cumulative basis. Non-cumulative means no more than \$10,000 may be retained and added each year to the City's annual budget allocation for each NC.
 - i. Example of non-cumulative rollover:
 1. FY18/19 Budget per NC = \$42,000.

2. NC ends FY 18/19 with \$14,000 balance in unspent funds. \$10,000 may be rolled over.
Total FY19/20 Budget Allocation is \$42,000 plus \$10,000 rolled over from FY18/19 or \$52,000.
 3. FY19/20 same NC ends FY with \$6,000 balance in unspent funds. All \$6,000 may be rolled over into next FY.
Total FY20/21 Budget Allocation is \$42,000 plus \$6,000 rolled over from FY19/20 or \$48,000.
- c. This policy is not intended to circumvent necessary authority and approval requirements as part of the City's financial processes. If funds are being held for a special project, a new account needs to be established and approved by City Council. If funds are being transferred into an existing special account or to a City department, a City Council Action is required.
- d. An NC is INELIGIBLE to request or receive rollover funds if any of the following apply:
- i. In Exhaustive Efforts status as determined by DONE
 - ii. Funds are in "frozen" status by the Office of the City Clerk
 - iii. The current sitting Treasurer and Bank Cardholder are not in good standing per Policy 1.0.4.c Financial Officers

Expenditures

NC Funding Program Policy 2.0 - Expenditures

All expenditures made by an NC are intended for the purpose of a general public benefit and must be approved through board action at a Brown Act-compliant board meeting prior to the expenditure. Expenditures made by the NCs must abide by all laws, rules, and regulations applicable to NCs. Expenditures must be approved by the board during the same fiscal year the expenditure is to be executed. If approval occurs in a prior fiscal year as part of a larger planning effort (for example, a strategic annual budget plan), the expenditure must be reaffirmed during the fiscal year when the expenditure is to be made before the expenditure is executed.

1. Expenditure Categories

The NC expenditures shall be categorized under one of the three budget categories and/or one of the three subcategories listed below, which are further explained in NCF Policies 2.1-2.5.

- a. General and Operational Expenditures (comprised of three subcategories)
 - i. Office/Operational
 - ii. Outreach
 - iii. Election
- b. Neighborhood Purposes Grants
- c. Community Improvement Projects

2. Prepayments/Advance Payments

- a. NCs are not authorized to make payments before services are rendered or goods are received. Payment for services and goods can only be made at the time of delivery of the services or goods. Any exceptions to allow for prepayments are made at the discretion of the Office of the City Clerk, NC Funding Program.
 - i. As a general rule, deposit payments of up to 50% of the invoiced amount or not exceeding \$1,000 may be allowed if authorized by the NC Funding Program.

3. Fiscal Dates

- a. For the purposes of accounting and reconciliation, the following fiscal dates must be followed:
 - **May 20** - Final date to request an event approval for the current fiscal year using current fiscal year funds;
 - **June 1** - Final date to submit a check payment request using current fiscal year funds;
 - **June 20** - Final day for any bank card transactions using current fiscal year funds.

4. Requirements for Check Payment Requests

- a. Check payments are issued to vendors as requested by the NC Treasurer. Check Payment requests must be submitted by the Treasurer after the Board approval vote and no later than June 1 of the fiscal year. Check payment requests that are not submitted by June 1, will not be processed by the NC Funding Program in the current fiscal year, and may need NC action to appropriate in the following fiscal year.
- b. The method of requesting a check payment is as prescribed by the Office of the City Clerk, Funding Program. The check payment request generally requires:
 - i. Board Action Certification (BAC) form authorizing the requested payment, completed and signed by the NC Treasurer, 2nd Signer and/or Alternate Signer.
 1. The Board Motion language provided in the BAC form must reflect the same agenda item or action as approved by the Board.
 - ii. Vendor invoice, which provides the following:
 1. Vendor name
 2. Vendor address and contact information
 3. Invoice number
 4. Invoice date
 5. Payment Amount due
 6. Description of purchase
 7. Name of the NC in the "bill to" section
- c. The NC Funding Program may request additional supporting documentation or information to further evaluate and account for payment requests, such as, W-9 forms, IRS Letters of Determination, quotes, meeting agendas, meeting minutes, etc.
- d. Check payment requests, once submitted, may take 1 to 3 business days for staff review and authorization, depending on level of staff review necessary for requested payment and completeness of submission. Payment requests that are found to require contract considerations may take longer to process.
- e. In situations where an NC no longer has a Treasurer, or the ability to appoint a Treasurer, the NC will be limited from accessing its available funds. When a new Treasurer is appointed by the Board, and authorized by the NC Funding Program, access to the NC Funding System will be granted.
 1. Access to the NC Funding System may also be limited in situations where the NC does not have a 2nd Signer, or Alternate Signer, as at least one is necessary to sign Board Authorization Certification (BAC) forms required by the funding system.

5. Requirements for Bank Card Payments and Cardholders

- a. The NC Bank Card is a credit-card based payment method to pay for low-value, non-contracted items less than one thousand dollars (\$1,000), including board or committee meeting incidentals, basic office supplies. NC Bank Cardholder usage is monitored through the NC Funding System portal by conducting daily and monthly reviews.

- b. The front of the card is printed with the City of Los Angeles seal and the board-appointed NC Bank Cardholder's name and respective NC name. The individual whose name appears on the card is the only individual authorized to use the card.
- c. Purchases made with a bank card must be approved by the board before the expenditures are made. NC Bank Cardholders must submit (upload) an itemized receipt or paid invoice by the 10th day after the transaction posting date, through the method prescribed by the NC Funding Program, which is currently to upload the receipt or invoice in the NC Funding System portal. Receipts must provide the following:
 - i. Vendor name
 - ii. Vendor address and contact information
 - iii. Receipt date
 - iv. Reasonable description of items for which payment was made
 - v. Price per item and total amount paid
- d. Payments made through PayPal or other non-descriptive payment methods are not allowed. Non-descriptive payment methods include those that do not provide necessary information as listed above in (c).
 - i. NC Bank Cardholders are advised to check with vendors who accept bank card payments to confirm if the method used to charge cards will be PayPal or another non-descriptive method. If so, payment to the vendor will need to be made through the check payment method.
- e. All expenditures paid through bank card may be subject to additional administrative procedures. NC Funding Program may request additional supporting documentation or information to further evaluate and account for transactions.
- f. In situations where an NC no longer has a bankcard holder, the NC will be limited from accessing its available funds through the bank card until a new bank cardholder is appointed by the Board and authorized by the NC Funding Program to be the custodian of the NC bank card.
- g. NC Funding Program maintains the right to audit or revoke a bank card at any time.
 - i. Bank cards will be revoked automatically for the following:
 - 1. Someone other than the authorized user makes a purchase with the card
 - 2. Repeated infractions
 - 3. Prohibited uses

6. Bank Card Limits and Requests to Increase Limits

- a. Standard bank card limits are:
 - i. \$5,000.00 per month
 - ii. \$1,000.00 per transaction
- b. Any requests for increases to the above standard limits must be submitted in writing, via email, by the NC Treasurer to the Funding Program for review and approval. To request an increase, the Treasurer must provide the following:
 - i. Board Action Certification (BAC) authorizing the requested expenditure

- ii. Vendor invoice/quote
- iii. Project or Event budget, as necessary or requested by the Funding Program
- c. Once approved, the Funding Program will notify the Treasurer and the NC Bank Cardholder. There will be a limited amount of time to make the transaction with the authorized increase limit. Processing requests to increase bank card limits may take up to two business days.
- d. If the Funding Program considers that an NC is not in compliance with requirements of the Program, such as being delinquent with Monthly Expenditure Reports or with bank card transaction receipts or other necessary documentation, it may deny requests to increase card limits.

7. Lost or Missing Receipts

- a. When a required NC bank card receipt is lost or otherwise unavailable and all measures to obtain a copy have been exhausted, a Missing Receipt Affidavit should be completed and submitted.
- b. A Missing Receipt Affidavit should be used on rare occasions and may not be used on a routine basis. A maximum of two (2) Affidavit submissions are permitted during a fiscal year. More than 2 uses of the Affidavit during the fiscal year may revoke the privilege of providing a declaration in lieu of a receipt, lead to freezing of the NC bank card, and any further action by the Funding Program as deemed appropriate or necessary.
- c. A Board Action Certification (BAC) form authorizing the use of the Missing Receipt Affidavit must be provided when submitting the Affidavit in lieu of the missing receipt. The Affidavit and BAC must be submitted through the NC Funding System portal

8. Accidental Payments

- a. In situations where an NC Bank Cardholder has accidentally or inadvertently issued a payment with the NC bank card which was not for the purpose of NC business, the NC Bank Cardholder will be required to either return the merchandise to the vendor for full credit returned to the bank card or reimburse the NC in the total amount spent, as prescribed by the NC Funding Program.
 - i. When reimbursing the NC:
 - 1. the Board member must do so using a personal check, money order, or cashier's check.

Outreach Expenditures

NC Funding Program Policy 2.2 - Outreach Expenditures

One of the core purposes of an NC is to promote its activities, including meetings, events, projects, etc., and engage its stakeholders to become involved in the NC and their communities.

1. General Outreach Expenditures

Outreach expenditures for an NC must be approved by the NC board at a Brown Act compliant meeting. Each outreach expenditure must be identified and approved as an individual agenda item.

a. Examples of Outreach expenditures:

- i. Advertising
- ii. Newsletters
- iii. Promotional items
- iv. Presence of authorized NC representatives at a community event organized and held by another organization, including having a booth or doing tabling at such event.

1. Authorized board members attending a third-party community event for outreach purposes may not gain individual benefits, “perks” as they may be considered potential gifts to government officials which are impacted by government conflict of interest/ethics regulations.

2. When conducting outreach activities, i.e. tabling or having a booth at an event sponsored by another organization, it is reasonable and acceptable for an NC to provide commercially pre-packaged snacks, i.e. cookies, candy, small bags of chips, water, coffee, etc., as well as low value promotional items as a way of attracting attendees to the NC table.

a. However, more expensive food items or outreach activity components, such as having a hot dog cart or food truck, a photo booth, a Disc Jockey or other entertainment planned as part of your outreach efforts is considered to go beyond what is allowed for basic outreach activities and create risks and liabilities for the City of Los Angeles.

i. In these situations, please contact the Department of Neighborhood Empowerment (DONE) in advance for advice on how to proceed.

b. Promotional Items

i. An NC may only purchase outreach promotional items of nominal cost and value for the purpose of advertising its presence in the community.

1. When the NC plans to purchase promotional items for distribution at public events and other outreach

opportunities, i.e. tabling, items purchased must have the NC name or logo and contact information, such as a phone number, website, email address, or social media handle branded on these items so that the items serve a sole purpose of general marketing and advertising for the Neighborhood Council, i.e. branded pens, keychains, magnets, and other similar "freebies" items.

2. NCs may submit proposed items of higher cost to the NC Funding Program for review and consideration.
- c. All outreach expenditures must be approved by the NC board at a Brown Act compliant meeting through separate board actions, **not as specific line items within an annual budget.**
- i. The NC boards must also review and approve, prior to final production, the content of its print media outreach items, i.e. newsletters, flyers, brochures, etc.

 - i. Sponsored Events: Events solely organized, implemented, and/or paid for by the NC. Payment by the NC may not always be involved, for example, when payment is not requested by a vendor or the NC uses its own existing equipment or supplies for the event.
 - ii. Co-sponsored Events: Events partially organized, implemented, and/or paid for by the NC. Payments by the NC may not be necessary, for example, when payments are not requested by vendors or the NC uses its own existing equipment or supplies for the event.

 - i. The NC is hosting or co-hosting the event,

 5. Flyers/promotional material
 6. Proof of artwork
 7. **For more information and details, please refer to the “Neighborhood Council Community Events – Risks & Liabilities Checklist” Form found on the Funding Program website, or contact your Funding Program Representative.**
- e. If a complete Event Approval request packet is submitted with less than 30 days for review, the application package may be rejected, and the NC will not be authorized to sponsor/co-sponsor the event.
 - f. If an NC submits an incomplete event packet, or the event itself violates any rules, laws, or policies applicable to NCs, the event application packet shall be rejected.
 - g. If an NC sponsors/co-sponsors an event without the approval of the Office of the City Clerk, the NC and/or individual members of the NC may assume personal responsibility and liability for the event, and additional corrective measures will be taken as outlined in NC Funding Policy 6.0.

To ensure that NCs and City assets are protected and liability is minimized, contracts or leases may be required before an NC is able to purchase a good or service. Under Article IX, Section 902, NCs do not have the authority to enter into contracts, agreements, permits, and/or memorandums of understanding. Neighborhood Empowerment notifies the NC Funding Program of actions taken to place the NC in "Exhaustive Efforts". This also includes Financial Officers who are unavailable to carry out their duties due to temporary causes as determined by the NC Funding Program.
 - d. Require that the NC immediately relinquish all access to, and tender all control of, its funding records and funds to the NC Funding Program. The NC Funding Program may impose this measure when it determines that the NC has not complied with the corrective or remedial measures outlined in a previous Financial Admonition Notice, the prospect of rectifying the problem is unlikely, or the circumstances require immediate action to safeguard public funds.
 - e. Request that the Department of Neighborhood Empowerment to further explore other applicable measures that may be taken per Department of Neighborhood Empowerment's authority, if necessary. This may include involuntary

decertification, as set forth in section 22.810.1(e) (2) of the Los Angeles Administrative Code. Department of Neighborhood Empowerment may recommend decertification when it is determined that an NC is incapable of handling its accounts, its governing board refuses to follow the advice, corrective action, or remedial measures promulgated, or the circumstances require immediate action to safeguard public funds.

BANK CARDHOLDER ACKNOWLEDGEMENT & AGREEMENT OF RESPONSIBILITIES

This document outlines the responsibilities that I, as the Neighborhood Council Bank Cardholder, have as the primary custodial holder of a City Los Angeles Neighborhood Council (NC) Bank Card, referred herein as “the card” for the Neighborhood Council named below. My signature indicates that I have read and understand these responsibilities and further, that I agree to adhere to the guidelines established by the Office of the City Clerk and approved by the City Controller for the use of City funding as it relates to the Neighborhood Council Funding Program.

1. I understand that the City of Los Angeles Neighborhood Council Card is intended to facilitate the purchase and payment of materials or services required for the conduct of official Neighborhood Council business only.
2. I agree to make only those purchases consistent with the type of purchases authorized by the Office of the City Clerk and approved by the NC Governing Board.
3. I understand that under no circumstances will I use the Card to make personal purchases either for myself or for others. The Card is issued in the name of the Neighborhood Council and I serve as the Card custodian. I agree that should I willfully violate the terms of this Agreement and use of the Card for personal use or gain that I will reimburse the City of Los Angeles for all incurred charges and any fees related to the collection of those charges.
4. Uses of the Card not authorized by the Office of the City Clerk can be considered misappropriation of City funds. This could result in (a) immediate and irrevocable forfeiture of the Card, and /or (b) potential de-certification action. I understand that the Card must be surrendered upon termination of any official position with the Neighborhood Council to which the card is issued. I agree to maintain the Card with appropriate security whenever and wherever I or any other authorized person may use the Card. If the Card is stolen or lost, I agree to immediately notify the Office of the City Clerk.
5. I understand that since the Card is the property of the Bank and authorized for issue by the City of Los Angeles, I am required to comply with internal control procedures designed to protect City assets. This may include being asked to produce the Card, receipts, and/or statements to validate its existence and to audit its use.
6. I understand that I will have access to the Funding Program System portal via the Internet where all card transactions will be posted by the Bank when the card is used. I understand that I am required to obtain itemized receipts for all card transactions and upload the itemized receipts to the Funding Program System portal to verify the posted card transaction. Uploading the required itemized receipt is necessary for my NC Monthly Expenditure Report (MER) to be generated by the Funding Program System portal. The MER must be reviewed and approved by the NC Governing Board before being submitted to the Office of the City Clerk as a complete Report.
7. I understand that all transactions on the Card will reduce the funds available to the NC. I understand that the Bank will not accept any limit increases from me.
8. I understand that the Card is solely provided to the designated NC cardholder and that assignment of the Card is based on the understanding that I need to purchase materials required for the conduct of Neighborhood Council business. I understand that custodial possession of the Card is not an entitlement nor reflective of title or position.
9. As a Neighborhood Council Financial Officer, I have signed and received a copy of both the NC Funding Program Bank Cardholder Agreement of Responsibilities and Financial Officers Letter of Acknowledgement, have attended and completed the required NC Funding Program training, and understand the requirements and limitations regarding the NC Bank Card's use.

Neighborhood Council Community Events
Risks & Liabilities Planning Checklist

As part of any good planning process for a community event your NC is considering sponsoring or co-sponsoring, risks and liabilities should be part of your consideration as you plan your event. Remember that when a NC is sponsoring or co-sponsoring an event, it is not only your NC board that is behind this event, but the City of Los Angeles as well. As such, we want to ensure that your event attendees not only have an enjoyable time, but a safe one as well. Depending on the scope of your event, from a community town hall forum to a Spring Fair Extravaganza, the NC Funding Program, in coordination with the Offices of Risk Management and City Attorney, will evaluate your proposed event according to what you are planning on a case by case basis.

The following is a basic NC events risks/liabilities checklist and guidelines to assist you in better planning and preparing for your event. Some of the factors in this checklist may not be relevant to your event and some may require more details. Policies require that event approval requests be submitted to our Program 30 days in advance. However, the more advance the request, the better your request can be handled, and the sooner you can begin promoting your event in your community.

OFFICE OF THE CITY CLERK
NEIGHBORHOOD COUNCIL FUNDING PROGRAM

NEIGHBORHOOD PURPOSES GRANTS

Dear Neighborhood Council:

The Neighborhood Purposes Grant (NPG) process provides your Council with greater opportunity to benefit your community by supporting and building partnerships with local organizations whose missions are also to benefit the community. Eligible organizations include 501(c)(3) non-profits as well as public schools. (Please note that grants cannot be issued to religious organizations or to private schools.)

Is your Neighborhood Council in good standing with the Funding Program?

Only Neighborhood Councils in good standing with the Funding Program will be eligible to participate in the NPG process. Good standing is interpreted to mean the following:

- Neighborhood Council must have a current Fiscal Year budget on file with the Funding Program;
- Neighborhood Council cannot be delinquent with its Monthly Expenditure Reports submissions to the Funding Program (please refer to the Funding Program Policies and Procedures for more information); and
- Neighborhood Council must have an eligible Treasurer and 2nd Signer on the Board.

Does it Benefit the Community?

Any grant issued by your Neighborhood Council must be for a public purpose: in short, how will the grant help the community? Please refer to document entitled, *“What is a Public Benefit”* of the Application for Neighborhood Purposes Grant for more information.

Conflict of Interest Laws Apply

The State and local conflict of interest laws that apply to the Neighborhood Council Funding Program also apply in the consideration of Neighborhood Purposes Grant requests.

At a minimum, board members must recuse themselves (not participate in discussion and leave the meeting room) from a vote to approve a grant should there be a conflict due to an affiliation with an applicant organization. There should be full disclosure and transparency. Please refer to the document entitled, *“State and City Conflicts of Interest Laws for Neighborhood Councils”* of the Application for Neighborhood Purposes Grant and/or your Neighborhood Council’s Field Project Coordinator for more information and seek consult with the Office of the City Attorney if necessary.

Application Process

The following is required from all organizations seeking a NPG from your Neighborhood Council:

- NPG Application**, completed and signed
- Project Budget** on a separate sheet if space provided in application form is not sufficient
- Non-Profits 501(c)(3)**
 - Submit: IRS Letter of Determination
- Public Schools**
 - Submit: Letter on official school letterhead, signed by school Principal

Applicants must submit the above-mentioned items to your Neighborhood Council for consideration. Your Council will evaluate all grant applications in a Brown Act public meeting, deciding whether to approve the proposed grant. If the application is approved, it must then be forwarded to the Funding Program within 45 days of approval, with supporting documentation. Board-approved applications submitted to Funding Program after 45 days will not be accepted for processing and your Board would need to place the application on a Board meeting agenda again for reconsideration. Once approved, if all documents are in compliance, the Funding Program will process a check to the grant recipient.

Grants Up to \$5,000.00

Through the Neighborhood Purposes Grant, Neighborhood Councils have the legal authority to issue grants of public funds in amounts up to \$5,000.00 without a written contract.

Grants over \$5,000.00

Grants for amounts \$5,000.01 and over will require further review for City contract considerations in coordination with the Office of the City Clerk so as to meet City contracting standards. Neighborhood Councils *do not have the legal authority* to enter into unilateral contracts.

Grant Project Completion Follow Up

Your Neighborhood Council is strongly encouraged to require the grantee to provide a Project Completion Report to provide accountability for the proposed project goals and use of the funds awarded and to demonstrate evidence of successful efforts benefiting your community. The Project Completion Report form is available online.

If you have any questions please contact the Office of the City Clerk, Neighborhood Council Funding Program at (213) 978-1058 or toll free at 3-1-1 or by email at clerk.ncfunding@lacity.org

NEIGHBORHOOD COUNCIL FUNDING PROGRAM

NEIGHBORHOOD PURPOSES GRANT - WHAT IS A PUBLIC BENEFIT?

A Neighborhood Purposes Grant (NPG) must provide a demonstrable benefit to the community. An NPG activity should build community, enhance the neighborhood, and be open, accessible, and free to the general public. Projects may encompass a wide range and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

The Office of the City Clerk, Neighborhood Council Funding Program has the final discretion to determine whether or not the proposed project can be funded per applicable City standards

A project may be submitted that is part of a larger project, but if so, consider carefully whether it can be completed independently of the larger project and regardless of whether other funding needs to be secured.

Considerations:

- The **budget** is realistic and supported with documentation
- The organization or individual is **capable** of completing the project
- The **work plan** is detailed, specific, and feasible
- The project is **supported** by the community
- The **number** of stakeholders that will benefit from this project
- The project implementation process will **build community**
- The complete project will **enhance the community**

- **Credibility.** Does your organization know what it wants to accomplish? What evidence proves that the organization is currently achieving its goals? What kind of reputation does the group enjoy within the community and beyond?

- **Capability.** What skills does the organization's staff and/or board bring to the project? Are they relevant to the project's aims? Has your organization succeeded in similar endeavors of equal size and scale to what you are now proposing?

- **Feasibility.** The Neighborhood Council must determine whether the proposal is advancing a worthwhile project built upon a good idea that can be successfully implemented. Is the budget allocated sufficiently to execute the various tasks and strategies described in the proposal?

- **Importance.** Should it be done? Is the project significant? Is there evidence that the proposal will trigger action or work that the community wants? Will it make a difference in the community it purports to aid or resolve the issue it addresses?

Factors to Consider

- Is this a capital improvement project?
 - It should be on public property within the Neighborhood Council's boundaries or provides a demonstrable benefit to its stakeholders, within the City boundaries.
 - There must be coordination with appropriate agencies to secure required additional documentation such as permits, authorizations, or agreements, if deemed necessary (i.e., Cultural Affairs, Dept. of Transportation, Street Services, Rec & Parks, public schools, etc.).
- Is this for program services (i.e. after school program, graffiti removal, etc.)?
 - The applicant must create a fair selection process to establish participants
- Is this for equipment and supplies?
 - Purchases for schools or 501(c)(3) organizations need to ultimately benefit the local community
- Is this for an event?
 - Events must be open, accessible, free of charge, and advertised to the general public
 - Discuss appropriate liability issues
- Are there issues of potential conflict of interest that need to be addressed?
 - If any issues may exist or are perceived, it is strongly advised that Board Members affected consult with the Office of the City Attorney before action is taken on the grant request.

NEIGHBORHOOD COUNCIL FUNDING PROGRAM

Project Completion Follow Up

Neighborhood Councils providing a grant to 501(c)(3) organizations or to public schools are strongly encouraged to require the grantee to be accountable for the progress and/or completion of the proposed project, demonstrating successful efforts benefitting the community.

After the project comes to a close, the NC Treasurer should obtain a Project Completion Report from the grantee for the Board to then review.

Some points to keep in mind:

- Neighborhood Councils must maintain accountability
- Maintain organized records and keep them available for review
- Review progress of the project funded
- Review Project Completion Report from grantee to NC
 - (See *Project Completion Report form*)
- Acquire photos after the project's completion.

Should issues arise, the Neighborhood Council Funding Program reserves the right to request all supporting documentation and to review the grant approval process as well as the project's progress and completion.

NEIGHBORHOOD PURPOSES GRANTS - APPLICANT INSTRUCTIONS

Dear Prospective Applicants:

The Neighborhood Purposes Grant (NPG) process provides Neighborhood Councils with greater opportunity to benefit their communities while supporting and building partnerships with local organizations such as yours. Eligible organizations include 501(c)(3) non-profits as well as public schools. (Please note that grants cannot be issued to religious organizations or to private schools.)

Is your Neighborhood Council in good standing with the Funding Program?

Only Neighborhood Councils in good standing with the Funding Program will be eligible to participate in the NPG process. Good standing is interpreted to mean the following:

- Neighborhood Council must have a current Fiscal Year budget on file with the Funding Program;
- Neighborhood Council cannot be delinquent with its Monthly Expenditure Reports submissions to the Funding Program (please refer to the Funding Program Policies and Procedures for more information); and
- Neighborhood Council must have an eligible Treasurer and 2nd Signer in the Board.

Does it Benefit the Community?

Any grant issued by a Neighborhood Council must be for a public purpose: in short, how will the grant help the community? Please refer to document entitled, "*What is a Public Benefit*" of the application for Neighborhood Purposes Grant for more information.

Conflict of Interest Laws Apply

The State and local conflict of interest laws that currently apply to the Neighborhood Council Funding Program also apply in the consideration of Neighborhood Purposes Grant requests.

At a minimum, board members must recuse themselves from a vote to approve a grant should there be a conflict due to an affiliation with an applicant organization. There should be full disclosure and transparency. Please refer to the document entitled, "*State and City Conflicts of Interest Laws for Neighborhood Councils*" of the application for Neighborhood Purposes Grant and/or the Neighborhood Council's Field Project Coordinator for more information.

Application Process

The following is required from all organizations/entities seeking a NPG from a Neighborhood Council:

- NPG Application**, completed and signed
- Project Budget** on a separate sheet if space provided in application form is not sufficient
- Non-Profits 501(c)(3)**
 - Submit: IRS Letter of Determination
- Public Schools**
 - Submit: Letter on official school letterhead, signed by school Principal

Applicants must submit the above-mentioned items to the respective Neighborhood Council for consideration. The Neighborhood Council will evaluate all grant applications in a Brown Act public meeting, deciding whether to approve the proposed grant. If the application is approved, it must then be forwarded to the Funding Program within 45 days of approval. Board-approved applications submitted to Funding Program after 45 days will not be accepted for processing and the Board would need to place the application on a Board meeting agenda again for reconsideration. Once approved, if all documents are in compliance, the Funding Program will process a check to the grant recipient.

Grants Up to \$5,000.00

Through the Neighborhood Purposes Grant, Neighborhood Councils have the legal authority to issue grants of public funds in amounts up to \$5,000.00 without a written contract.

Grants over \$5,000.00

Grants for amounts \$5,000.01 and over will require further review for City contract considerations in coordination with the Office of the City Clerk so as to meet City contracting standards. Neighborhood Councils *do not have the legal authority* to enter into unilateral contracts.

Project Completion Follow Up

Applicants are requested to provide a Project Completion Report (available online) at the conclusion of the proposed project funded by the grant.
