Throughout California's history, local legislative bodies have played a vital role in bringing participatory democracy to the citizens of the state. Local legislative bodies - such as boards, councils and commissions - are created in recognition of the fact that several minds are better than one, and that through debate and discussion, the best ideas will emerge. The law which guarantees the public's right to attend and participate in meetings of local legislative bodies is the Ralph M. Brown Act.

While local legislative bodies generally are required to hold meetings in open forum, the Brown Act recognizes the need, under limited circumstances, for these bodies to meet in private in order to carry out their responsibilities in the best interests of the public. For example, the law contains a personnel exception based on notions of personal privacy, and a pending litigation exception based upon the precept that government agencies should not be disadvantaged in planning litigation strategy. Although the principle of open meetings initially seems simple, application of the law to real life situations can prove to be quite complex.

The purpose of this pamphlet is to provide a brief description of the Brown Act, along with a discussion of court decisions and opinions of this office that add to our understanding by applying it in specific factual contexts. We hope this pamphlet will assist both public officials and those who monitor the performance of local legislative bodies to minimize and resolve disputes over interpretations of the Brown Act. In recent years, both the California Supreme Court and the courts of appeal have recognized the benefit of pamphlets issued by our office. This recognition by the courts, along with many favorable comments from members of the public, strengthens our resolve to continue producing reliable informational materials on the Brown Act and other California laws. Publication of these materials constitutes a tradition of service that we value greatly.

Ideas and suggestions for future editions of this pamphlet are welcomed and should be addressed to the editor.

Sincerely,

BILL LOCKYER
Attorney General

INTRODUCTION

This pamphlet concerns the provisions of the Ralph M. Brown Act, which govern open meetings for local government bodies. The Brown Act is contained in section 54950 et seq. of the Government Code. Accordingly, all statutory references in this pamphlet are to the Government Code unless otherwise noted. The pamphlet contains a table of contents, which may also serve as a topical outline for the reader. The pamphlet also includes a brief summary of the main provisions of the Brown Act, along with references to the appropriate Government Code sections and chapters of the text. The text includes a discussion of the law along with tips on how the law should be applied in particular situations. Numerous references are made to legal authorities throughout the text. A copy of the Brown Act in its entirety is set forth in the appendix to the pamphlet. Lastly, the pamphlet contains a table of authorities so that the reader can determine all of the places in the text where references are made to a particular authority.

In preparing this pamphlet, we relied on a variety of legal resources. Appellate court cases were consulted and are cited throughout the pamphlet. While most of the more significant cases are discussed, this pamphlet is not intended to be a compendium of all court cases in this area. In addition, we drew upon published opinions and unpublished letter opinions issued by this office. Attorney General opinions, unlike appellate court decisions, are advisory only and do not constitute the law of the state. However, with respect to the Brown Act, the courts have frequently adopted the analysis of Attorney General opinions, and have commented favorably on the service afforded by those opinions and this pamphlet. (*Bell v. Vista Unified School Dist.* (2000) 82 Cal.App.4th 672; *Freedom Newspapers v. Orange County Employees Retirement System* (1993) 6 Cal. 4th 821, 829.)

Published opinions are cited by volume and page number (e.g., 32 Ops.Cal.Atty.Gen. 240 (1958)). Unpublished letter opinions are cited as indexed letters by year and page number (e.g., Cal.Atty.Gen., Indexed Letter, No. IL 76-201 (October 20, 1976).) Published opinions are available through law libraries and some attorneys' offices. As a general rule, indexed letters are available only in the Office of the Attorney General. Copies may be obtained by a request to the Public Inquiry Unit of the Office of the Attorney General.

If you have specific questions or problems, the statutes, cases and opinions should be consulted. You also may wish to refer the matter to the attorney for the agency in question, a private attorney or the district attorney.

The pamphlet is current through January 2003 with respect to statutes, case law, and Attorney General opinions.

NEW Brown Act regulation for 2019.

The following documents talk about the implantation of the Brown Act in a Board meeting. The full text of the 2019 update to the Brown Act, which puts new stipulations on digital posting, can be found online at the California Legislative Information website.

https://leginfo.ca.gov/faces/codes_displayText.xhtml?lawCode=GOV&division=2.&title=5.&part=1.&chapter=9.

Below is the update language reflecting required posting for organizations with a website, of which, HHWNC is one.

Code 54954.2. (a) (1) At least 72 hours before a regular meeting, the legislative body of the local agency, or its designee, shall post an agenda containing a brief general description of each item of business to be transacted or discussed at the meeting, including items to be discussed in closed session. A brief general description of an item generally need not exceed 20 words. The agenda shall specify the time and location of the regular meeting and shall be posted in a location that is freely accessible to members of the public and on the local agency's Internet Web site, if the local agency has one. If requested, the agenda shall be made available in appropriate alternative formats to persons with a disability, as required by Section 202 of the Americans with Disabilities Act of 1990 (42 U.S.C. Sec. 12132), and the federal rules and regulations adopted in implementation thereof. The agenda shall include information regarding how, to whom, and when a request for disability-related modification or accommodation, including auxiliary aids or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting.

(2) For a meeting occurring on and after January 1, 2019, of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an Internet Web site, the following provisions shall apply:

(A) An online posting of an agenda shall be posted on the primary Internet Web site homepage of a city, county, city and county, special district, school district, or political subdivision established by the state that is accessible through a prominent, direct link to the current agenda. The direct link to the agenda shall not be in a contextual menu; however, a link in addition to the direct link to the agenda may be accessible through a contextual menu.

(B) An online posting of an agenda including, but not limited to, an agenda posted in an integrated agenda management platform, shall be posted in an open format that meets all of the following requirements:

(i) Retrievable, downloadable, indexable, and electronically searchable by commonly used Internet search applications.

(ii) Platform independent and machine readable.

(iii) Available to the public free of charge and without any restriction that would impede the reuse or redistribution of the agenda.

(C) A legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state that has an Internet Web site and an integrated agenda

management platform shall not be required to comply with subparagraph (A) if all of the following are met:

(i) A direct link to the integrated agenda management platform shall be posted on the primary Internet Web site homepage of a city, county, city and county, special district, school district, or political subdivision established by the state. The direct link to the integrated agenda management platform shall not be in a contextual menu. When a person clicks on the direct link to the integrated agenda management platform, the direct link shall take the person directly to an Internet Web site with the agendas of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state.

(ii) The integrated agenda management platform may contain the prior agendas of a legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state for all meetings occurring on or after January 1, 2019.

(iii) The current agenda of the legislative body of a city, county, city and county, special district, school district, or political subdivision established by the state shall be the first agenda available at the top of the integrated agenda management platform.

(iv) All agendas posted in the integrated agenda management platform shall comply with the requirements in clauses (i), (ii), and (iii) of subparagraph (B).

(D) For the purposes of this paragraph, both of the following definitions shall apply:

(i) "Integrated agenda management platform" means an Internet Web site of a city, county, city and county, special district, school district, or political subdivision established by the state dedicated to providing the entirety of the agenda information for the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state to the public.

(ii) "Legislative body" has the same meaning as that term is used in subdivision (a) of Section 54952.

(E) The provisions of this paragraph shall not apply to a political subdivision of a local agency that was established by the legislative body of the city, county, city and county, special district, school district, or political subdivision established by the state.

(3) No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of a legislative body or its staff may briefly respond to statements made or questions posed by persons exercising their public testimony rights under Section 54954.3. In addition, on their own initiative or in response to questions posed by the public, a member of a legislative body or its staff may ask a question for clarification, make a brief announcement, or make a brief report on his or her own activities. Furthermore, a member of a legislative body, or the body itself, subject to rules or procedures of the legislative body, may provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning any matter, or take action to direct staff to place a matter of business on a future agenda.

(b) Notwithstanding subdivision (a), the legislative body may take action on items of business not appearing on the posted agenda under any of the conditions stated below. Prior to discussing any item pursuant to this subdivision, the legislative body shall publicly identify the item.

(1) Upon a determination by a majority vote of the legislative body that an emergency situation exists, as defined in Section 54956.5.

(2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the agenda being posted as specified in subdivision (a).

(3) The item was posted pursuant to subdivision (a) for a prior meeting of the legislative body occurring not more than five calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.

(c) This section is necessary to implement and reasonably within the scope of paragraph (1) of subdivision (b) of Section 3 of Article I of the California Constitution.

(d) For purposes of subdivision (a), the requirement that the agenda be posted on the local agency's Internet Web site, if the local agency has one, shall only apply to a legislative body that meets either of the following standards:

(1) A legislative body as that term is defined by subdivision (a) of Section 54952.

(2) A legislative body as that term is defined by subdivision (b) of Section 54952, if the members of the legislative body are compensated for their appearance, and if one or more of the members of the legislative body are also members of a legislative body as that term is defined by subdivision (a) of Section 54952

**EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA**

EXECUTIVE ORDER N-25-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, the virus remains a threat, and further efforts to control the spread of the virus to reduce and minimize the risk of infection are needed; and

WHEREAS state and local public health officials may, as they deem necessary in the interest of public health, issue guidance limiting or recommending limitations upon attendance at public assemblies, conferences, or other mass events, which could cause the cancellation of such gatherings through no fault or responsibility of the parties involved, thereby constituting a force majeure; and

WHEREAS the Department of Public Health is maintaining up-to-date guidance relating to COVID-19, available to the public at <http://cdph.ca.gov/covid19>; and

WHEREAS the State of California and local governments, in collaboration with the Federal government, continue sustained efforts to minimize the spread and mitigate the effects of COVID-19; and

WHEREAS there is a need to secure numerous facilities to accommodate quarantine, isolation, or medical treatment of individuals testing positive for or exposed to COVID-19; and

WHEREAS, many individuals who have developmental disabilities and receive services through regional centers funded by the Department of Developmental Services also have chronic medical conditions that make them more susceptible to serious symptoms of COVID-19, and it is critical that they continue to receive their services while also protecting their own health and the general public health; and

WHEREAS individuals exposed to COVID-19 may be temporarily unable to report to work due to illness caused by COVID-19 or quarantines related to COVID-19 and individuals directly affected by COVID-19 may experience potential loss of income, health care and medical coverage, and ability to pay for housing and basic needs, thereby placing increased demands on already strained regional and local health and safety resources such as shelters and food banks; and

WHEREAS in the interest of public health and safety, it is necessary to exercise my authority under the Emergency Services Act, specifically Government Code section 8572, to ensure adequate facilities exist to address the impacts of COVID-19; and

WHEREAS under the provisions of Government Code section 8571, I find that strict compliance with various statutes and regulations specified in this order would prevent, hinder, or delay appropriate actions to prevent and mitigate the effects of the COVID-19 pandemic.

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567, 8571 and 8572, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1. All residents are to heed any orders and guidance of state and local public health officials, including but not limited to the imposition of social distancing measures, to control the spread of COVID-19.
2. For the period that began January 24, 2020 through the duration of this emergency, the Employment Development Department shall have the discretion to waive the one-week waiting period in Unemployment Insurance Code section 2627(b)(1) for disability insurance applicants who are unemployed and disabled as a result of the COVID-19, and who are otherwise eligible for disability insurance benefits.
3. For the period that began January 24, 2020 through the duration of this emergency, the Employment Development Department shall have the discretion to waive the one-week waiting period in Unemployment Insurance Code section 1253(d) for unemployment insurance applicants who are unemployed as a result of the COVID-19, and who are otherwise eligible for unemployment insurance benefits.
4. Notwithstanding Health and Safety Code section 1797.172(b), during the course of this emergency, the Director of the Emergency Medical Services Authority shall have the authority to implement additions to local optional scopes of practice without first consulting with a committee of local EMS medical directors named by the EMS Medical Directors Association of California.
5. In order to quickly provide relief from interest and penalties, the provisions of the Revenue and Taxation Code that apply to the taxes and fees administered by the Department of Tax and Fee Administration, requiring the filing of a statement under penalty of perjury setting forth the facts for a claim for relief, are suspended for a period of 60 days after the date of this Order for any individuals or businesses who are unable to file a timely tax return or make a timely payment as a result of complying with a state or local public health official's imposition or recommendation of social distancing measures related to COVID-19.
6. The Franchise Tax Board, the Board of Equalization, the Department of Tax and Fee Administration, and the Office of Tax Appeals shall use their administrative powers where appropriate to provide those individuals and businesses impacted by complying with a state or local public health official's imposition or recommendation of social

distancing measures related to COVID-19 with the extensions for filing, payment, audits, billing, notices, assessments, claims for refund, and relief from subsequent penalties and interest.

7. The Governor's Office of Emergency Services shall ensure adequate state staffing during this emergency. Consistent with applicable federal law, work hour limitations for retired annuitants, permanent and intermittent personnel, and state management and senior supervisors, are suspended. Furthermore, reinstatement and work hour limitations in Government Code sections 21220, 21224(a), and 7522.56(b), (d), (f), and (g), and the time limitations in Government Code section 19888.1 and California Code of Regulations, title 2, sections 300-303 are suspended. The Director of the California Department of Human Resources must be notified of any individual employed pursuant to these waivers.
8. The California Health and Human Services Agency and the Office of Emergency Services shall identify, and shall otherwise be prepared to make available—including through the execution of any necessary contracts or other agreements and, if necessary, through the exercise of the State's power to commandeer property – hotels and other places of temporary residence, medical facilities, and other facilities that are suitable for use as places of temporary residence or medical facilities as necessary for quarantining, isolating, or treating individuals who test positive for COVID-19 or who have had a high-risk exposure and are thought to be in the incubation period.
9. The certification and licensure requirements of California Code of Regulations, Title 17, section 1079 and Business and Professions Code section 1206.5 are suspended as to all persons who meet the requirements under the Clinical Laboratory Improvement Amendments of section 353 of the Public Health Service Act for high complexity testing and who are performing analysis of samples to test for SARS-CoV-2, the virus that causes COVID-19, in any certified public health laboratory or licensed clinical laboratory.
10. To ensure that individuals with developmental disabilities continue to receive the services and supports mandated by their individual program plans threatened by disruptions caused by COVID-19, the Director of the Department of Developmental Services may issue directives waiving any provision or requirement of the Lanterman Developmental Disabilities Services Act, the California Early Intervention Services Act, and the accompanying regulations of Title 17, Division 2 of the California Code of Regulations. A directive may delegate to the regional centers any authority granted to the Department by law where the Director believes such delegation is necessary to ensure services to individuals with developmental disabilities. The Director shall describe the need justifying the waiver granted in each directive and articulate how the waiver is necessary to protect the public health or safety from the threat of COVID-19 or necessary to ensure that services to individuals with developmental disabilities are not disrupted. Any waiver granted by a directive shall expire 30 days from the date of its issuance. The Director may grant one or more 30-day extensions if the waiver continues to be necessary

to protect health or safety or to ensure delivery of services. The Director shall rescind a waiver once it is no longer necessary to protect public health or safety or ensure delivery of services. Any waivers and extensions granted pursuant to this paragraph shall be posted on the Department's website.

11. Notwithstanding any other provision of state or local law, including the Bagley-Keene Act or the Brown Act, a local legislative body or state body is authorized to hold public meetings via teleconferencing and to make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to attend and to address the local legislative body or state body, during the period in which state or local public officials impose or recommend measures to promote social distancing, including but not limited to limitations on public events. All requirements in both the Bagley-Keene Act and the Brown Act expressly or impliedly requiring the physical presence of members, the clerk or other personnel of the body, or of the public as a condition of participation in or quorum for a public meeting are hereby waived.

In particular, any otherwise-applicable requirements that

- (i) state and local bodies notice each teleconference location from which a member will be participating in a public meeting;
- (ii) each teleconference location be accessible to the public;
- (iii) members of the public may address the body at each teleconference conference location;
- (iv) state and local bodies post agendas at all teleconference locations;
- (v) at least one member of the state body be physically present at the location specified in the notice of the meeting; and
- (vi) during teleconference meetings, at least a quorum of the members of the local body participate from locations within the boundaries of the territory over which the local body exercises jurisdiction

are hereby suspended, on the conditions that:

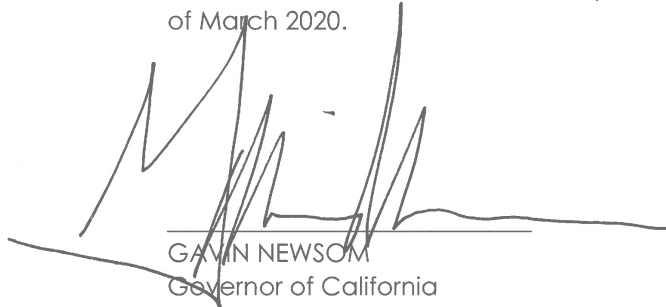

- (i) each state or local body must give advance notice of each public meeting, according to the timeframe otherwise prescribed by the Bagley-Keene Act or the Brown Act, and using the means otherwise prescribed by the Bagley-Keene Act or the Brown Act, as applicable; and
