

Board Binder

As of February 17, 2021

Dear Board Member,

This “Notebook” is meant to be a living document, interchangeable as our government process change. Please use it as you see fit; rearrange it to fit your needs. It is designed to help guide you and get you up and running, but by no means is it definitive.

From Article IX, which established the Neighborhood Council system in the City, to the last section, Further References, the Notebook is designed to help you find solutions to the questions your stakeholders may ask, and participate with the Board when those answers are hard to discern.

Welcome to Hollywood Hills West Neighborhood Council. I am sure the Board is looking forward to your contributions in making the quality of life for our stakeholders the best we can.

ARTICLE V GOVERNING BOARD

The Board of Directors (hereinafter “the Board”) shall be the Governing Body of the HHWNC within the meaning of that term as set forth in the Plan for a Citywide System of Neighborhood Councils (“Plan”).

Section 1: Composition - The Board will consist of twenty-three (23) Board members: five (5) Officers elected by the general membership, nine (9) Issue Committee Chairs elected by the general membership, and nine (9) Area Committee Chairs elected by stakeholders in each area. No

stakeholder can occupy more than one (1) seat on the Board. To the extent possible, the Board will reflect the diversity of the HHWNC's community stakeholders.

Section 2: Quorum - A quorum for a Board is twelve (12) Board members.

Section 3: Official Actions - In order for the HHWNC to take an official action, a majority vote by board members present, not including abstentions, is required. A majority shall be one half (1/2) of those present plus one (1) for the purpose of voting. Any abstaining member shall not reduce the number of votes required to establish a majority.

Section 4: Terms and Term Limits - Board members shall serve a two (2) year term. There are no term limits.

Section 5: Duties and Powers - The primary duties of the Board shall be to govern the HHWNC and to carry out its purposes as stated in Article II.

No individual member of the Board shall speak for the Board or otherwise publicly represent a Board position unless authorized to do so by official action of the Board. The Board may, by official action, delegate to any individual the authority to present before any public body a standing HHWNC position previously adopted by the Board or a statement that the HHWNC has had insufficient time to develop a position or recommendation on a matter before that body. Such authority may be revoked at any time by the Board.

Section 6: Vacancies - A vacancy on the Board shall be filled by the following procedure:

- A. Any Stakeholder interested in filling a vacant seat on the Board shall submit a written application(s) to the President.
- B. The President shall then ensure that the matter is placed on the agenda for the next regular meeting of the Board.
- C. If one (1) or More Stakeholders apply for a vacant seat (within the minimum of (30) days' notice), then a vote of the Board shall be taken at the next publicly noticed meeting, and the candidate elected by majority vote of the Board shall therefore be installed immediately. When a vacant seat is filled by the aforementioned process, that seat shall be filled only until the next election is held to fill all seats on the Board.
- D. When a vacant seat is filled by the aforementioned process, that seat shall be filled only until the next election is held to fill all seats on the Board.

If a HHWNC Board member or Officer is elected to any Los Angeles City political office, such action shall be considered a vacancy.

Section 7: Absences - Absences are addressed in the HHWNC Standing Rules.

Section 8: Censure - The purpose of the censure process is to place a Board member on notice of misconduct and to provide the Board member with an opportunity to correct the misconduct. The Neighborhood Council ("Neighborhood Council") may censure any Board member at a regular or

special meeting open to the public following a good-faith determination by the Neighborhood Council Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. Grounds for censure include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board's bylaws or rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal process by acting in bad faith.

The Board shall use the following procedure when censuring a Board member:

1. A motion to censure a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed censure including the date(s) and specific conduct relied upon for the motion. The motion shall not be based upon conclusions, e.g., "for alleged violations of the Code of Conduct" but shall contain factual statements that describe conduct only and is not intended to embarrass or humiliate the board member.
2. The Board member, group of Board members or committee responsible for setting the final Board agenda shall include the motion on the agenda of the next regular or special Board meeting scheduled at least thirty (30) days following the delivery of the proposed censure motion.
3. The Board member subject to censure shall be given a minimum of thirty (30) days prior-written notice, which may include email sent to the last email address on file with the Neighborhood Council, of any meeting at which the motion to censure will be considered. The notice shall provide the specific facts and grounds for the proposed censure as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to the meeting at which the motion to censure will be considered.
4. The Board member subject to censure shall be given a reasonable opportunity to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion of censure.
5. The Board shall decide by a majority vote of those present and voting whether or not the Board member should be censured. The Board member who is the subject of the censure motion shall not be counted as part of the majority present and voting and shall not be allowed to vote. For the purpose of censure motions, abstentions shall not be counted as votes.
6. In no event shall a motion to censure a board member be heard by the Neighborhood Council within sixty (60) days of the next scheduled Board election or selection.

Section 9: Removal of Governing Board Members - Any Board member may be removed by the Neighborhood Council ("Neighborhood Council") for cause, following a good faith determination by the Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. A Board member shall not be subject to removal under this Policy, unless the member has been censured at least once pursuant to the Board of Neighborhood Commissioners' ("Commission") Censure Policy. Grounds for removal include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board's bylaws or standing rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal processes by acting in bad faith.

The Board shall use the following procedure when removing a Board member:

1. A motion to remove a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The proposed motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed removal action including the date(s) and specific conduct relied upon for the motion. The motion shall not be based upon conclusions, e.g., "for alleged violations of the Code of Conduct" but shall contain factual statements that describes conduct only and is not intended to embarrass or humiliate the board member. The motion to remove shall also include a copy of the prior censure motion and the date it was passed.
2. The Board member, group of Board members or committee responsible for setting the final Board agenda shall list and briefly describe the motion on the agenda of the next regular or special Board meeting scheduled at least thirty (30) days following the delivery of the proposed removal motion.
3. The Board member subject to removal shall be given a minimum of thirty (30) days prior written notice, which may include email sent to the last email address on file with the Neighborhood Council, of any meeting at which a motion to remove will be heard. The notice shall provide the specific facts and grounds for the proposed removal as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to any meeting at which a motion to remove will be considered.
4. The Board member subject to removal shall be given reasonable time to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion for removal.
5. The Board shall decide whether or not the Board member should be removed by an affirmative vote of two-thirds (2/3) of the currently sitting Board members. The Board member who is the subject of the removal motion shall not be allowed to vote and shall not be counted when determining the two-thirds (2/3) majority vote. For the purpose of the removal motion, abstentions shall not be counted as votes.

6. In no event shall a motion to remove a Board member be heard by the Neighborhood Council within sixty (60) days of the next election or selection.

7. The Commission may review a Neighborhood Council's removal decision if requested to do so by the affected Board member. Once the request is made for the Commission to review the decision to remove, the Neighborhood Council voting to remove the board member may not fill the vacancy created by the removal until the Commission has made a decision on whether the removal was proper or the Commission declines to review the matter. The Commission's decision whether to hear or decline to hear the removal review request shall be sent in writing to the requestor and the Neighborhood Council within 30 days after the request for review is delivered.

8. A request for the Commission to review a Neighborhood Council's removal decision shall proceed as follows:

a. The request must in writing and must be delivered to the Executive Assistant of the Commission or, in the absence of an Executive Assistant, to the President of the Commission within thirty (30) days of the date of the action by the Neighborhood Council to remove the Board member.

b. The request must state the basis for the review. The request shall not cite or present any evidence not considered by the Neighborhood Council but must address only procedural deficiencies.

c. If the Commission determines the request for review raises sufficient questions regarding procedural deficiencies and agrees to hear the review, it will be placed on the agenda of a regular or special meeting of the Commission within sixty (60) days of receipt of the request for review.

d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.

e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.

f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board member will be considered reinstated.

g. During the period of appeal the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions.

h. If the matter is returned to the Neighborhood Council for further consideration the Board member shall not be counted as part of the Board for any quorum and shall not participate in any

Board actions until the Board takes action as requested by the Commission or until the expiration of the sixty (60) day time period.

9. This policy is not intended to restrict or eliminate a Neighborhood Council's ability to remove or render ineligible to serve, Board members who fail to attend meetings, join committees, maintain their stakeholder status, or perform other duties as may be described in the Neighborhood Council's bylaws and/or standing rules. Nor is it intended to limit a Neighborhood Council's ability to remove committee chairs or committee members according to the Neighborhood Council's bylaws and/or standing rules.

Section 10: Resignation - Any Board member or officer may resign by submitting a written resignation to the President.

Section 11: Community Outreach - The HHWNC shall endeavor to inform Stakeholders as to the existence and activities of the HHWNC, including its Board elections, to find future leaders of the HHWNC, and to encourage all Stakeholders to seek leadership positions within the HHWNC.

ARTICLE XI GRIEVANCE PROCESS

Any grievance by a Stakeholder must be submitted in writing to the Board. The Executive Committee shall then refer the matter to an ad hoc grievance panel comprised of three (3) Board members who are not named as parties or involved in the matter. If three (3) board members are unavailable to serve on such a panel, then the Executive Committee shall ask prior Board members who are not named as parties or involved in the matter to serve with current Board members who can and are willing to serve on the panel. Otherwise, the Executive Committee may refer the matter to the Department. Stakeholders also may file copies of their grievances with the Department. The Secretary will coordinate a time and a place for the panel to meet promptly with the person(s) submitting a grievance, investigate the grievance, and to discuss ways in which the grievance/dispute may be resolved.

Thereafter, a panel member shall promptly prepare a written report to be forwarded by the Secretary to the Board outlining the panel's collective recommendations for resolving the

grievance. The Board may receive a copy of the panel's report and recommendations prior to any meeting by the Board, but the matter shall not be discussed among the Board members until the matter is heard at the next regular meeting of the Board pursuant to the Ralph M. Brown Act.

This formal grievance process is not intended to apply to Stakeholders who simply disagree with a position or action taken by the Board at one of its meetings. Those grievances can be aired at Board meetings. This grievance process is intended to address matters involving procedural disputes, e.g., the Board's failure to comply with Board Rules or these Bylaws. In the event that a grievance cannot be resolved through this grievance process, then the matter may be referred to the Department for consideration or dispute resolution in accordance with the Plan.

The provisions listed above will remain in effect until the implementation of the Regional Grievance Panels by the Department, per City Ordinance No. 183487. Once the Regional Panels are implemented, HHWNC grievance reviews will be considered under the following provision:

The City Council passed Ordinance No. 183487, effective May 3, 2015, establishing seven regional Neighborhood Council Grievance Panels – South, Central, Harbor, West, East, North Valley and South Valley. Each Neighborhood Council may appoint one board member or stakeholder to serve on a pool of panelists. These panelists will review grievances and election challenges.

The Neighborhood Council will follow the City's policy and/or rules regarding the handling of grievances.

ARTICLE XII PARLIAMENTARY AUTHORITY

The current edition of Robert's Rules of Order Revised shall supplement these Bylaws and govern this organization in all cases to which they are applicable and in which they are not inconsistent with these Bylaws and special rules and resolutions authorized by these Bylaws.

ARTICLE XIII AMENDMENTS

The Bylaws may be amended, altered, or repealed by a two-thirds (2/3) vote at any special Stakeholders meeting called with a thirty (30) day notice emailed to the Stakeholders and posted per the Ralph M. Brown Act, provided that the exact wording of the proposed change(s) is included in the agenda of the required notice of the meeting. To become effective, any amendment to the Bylaws will require the submission of a Bylaws Amendment Application to the Department. If the Department determines that the bylaw amendment affects the ability of HHWNC to comply with the criteria for responsible and inclusive community representation, the amendment will not become effective.

ARTICLE XIV COMPLIANCE

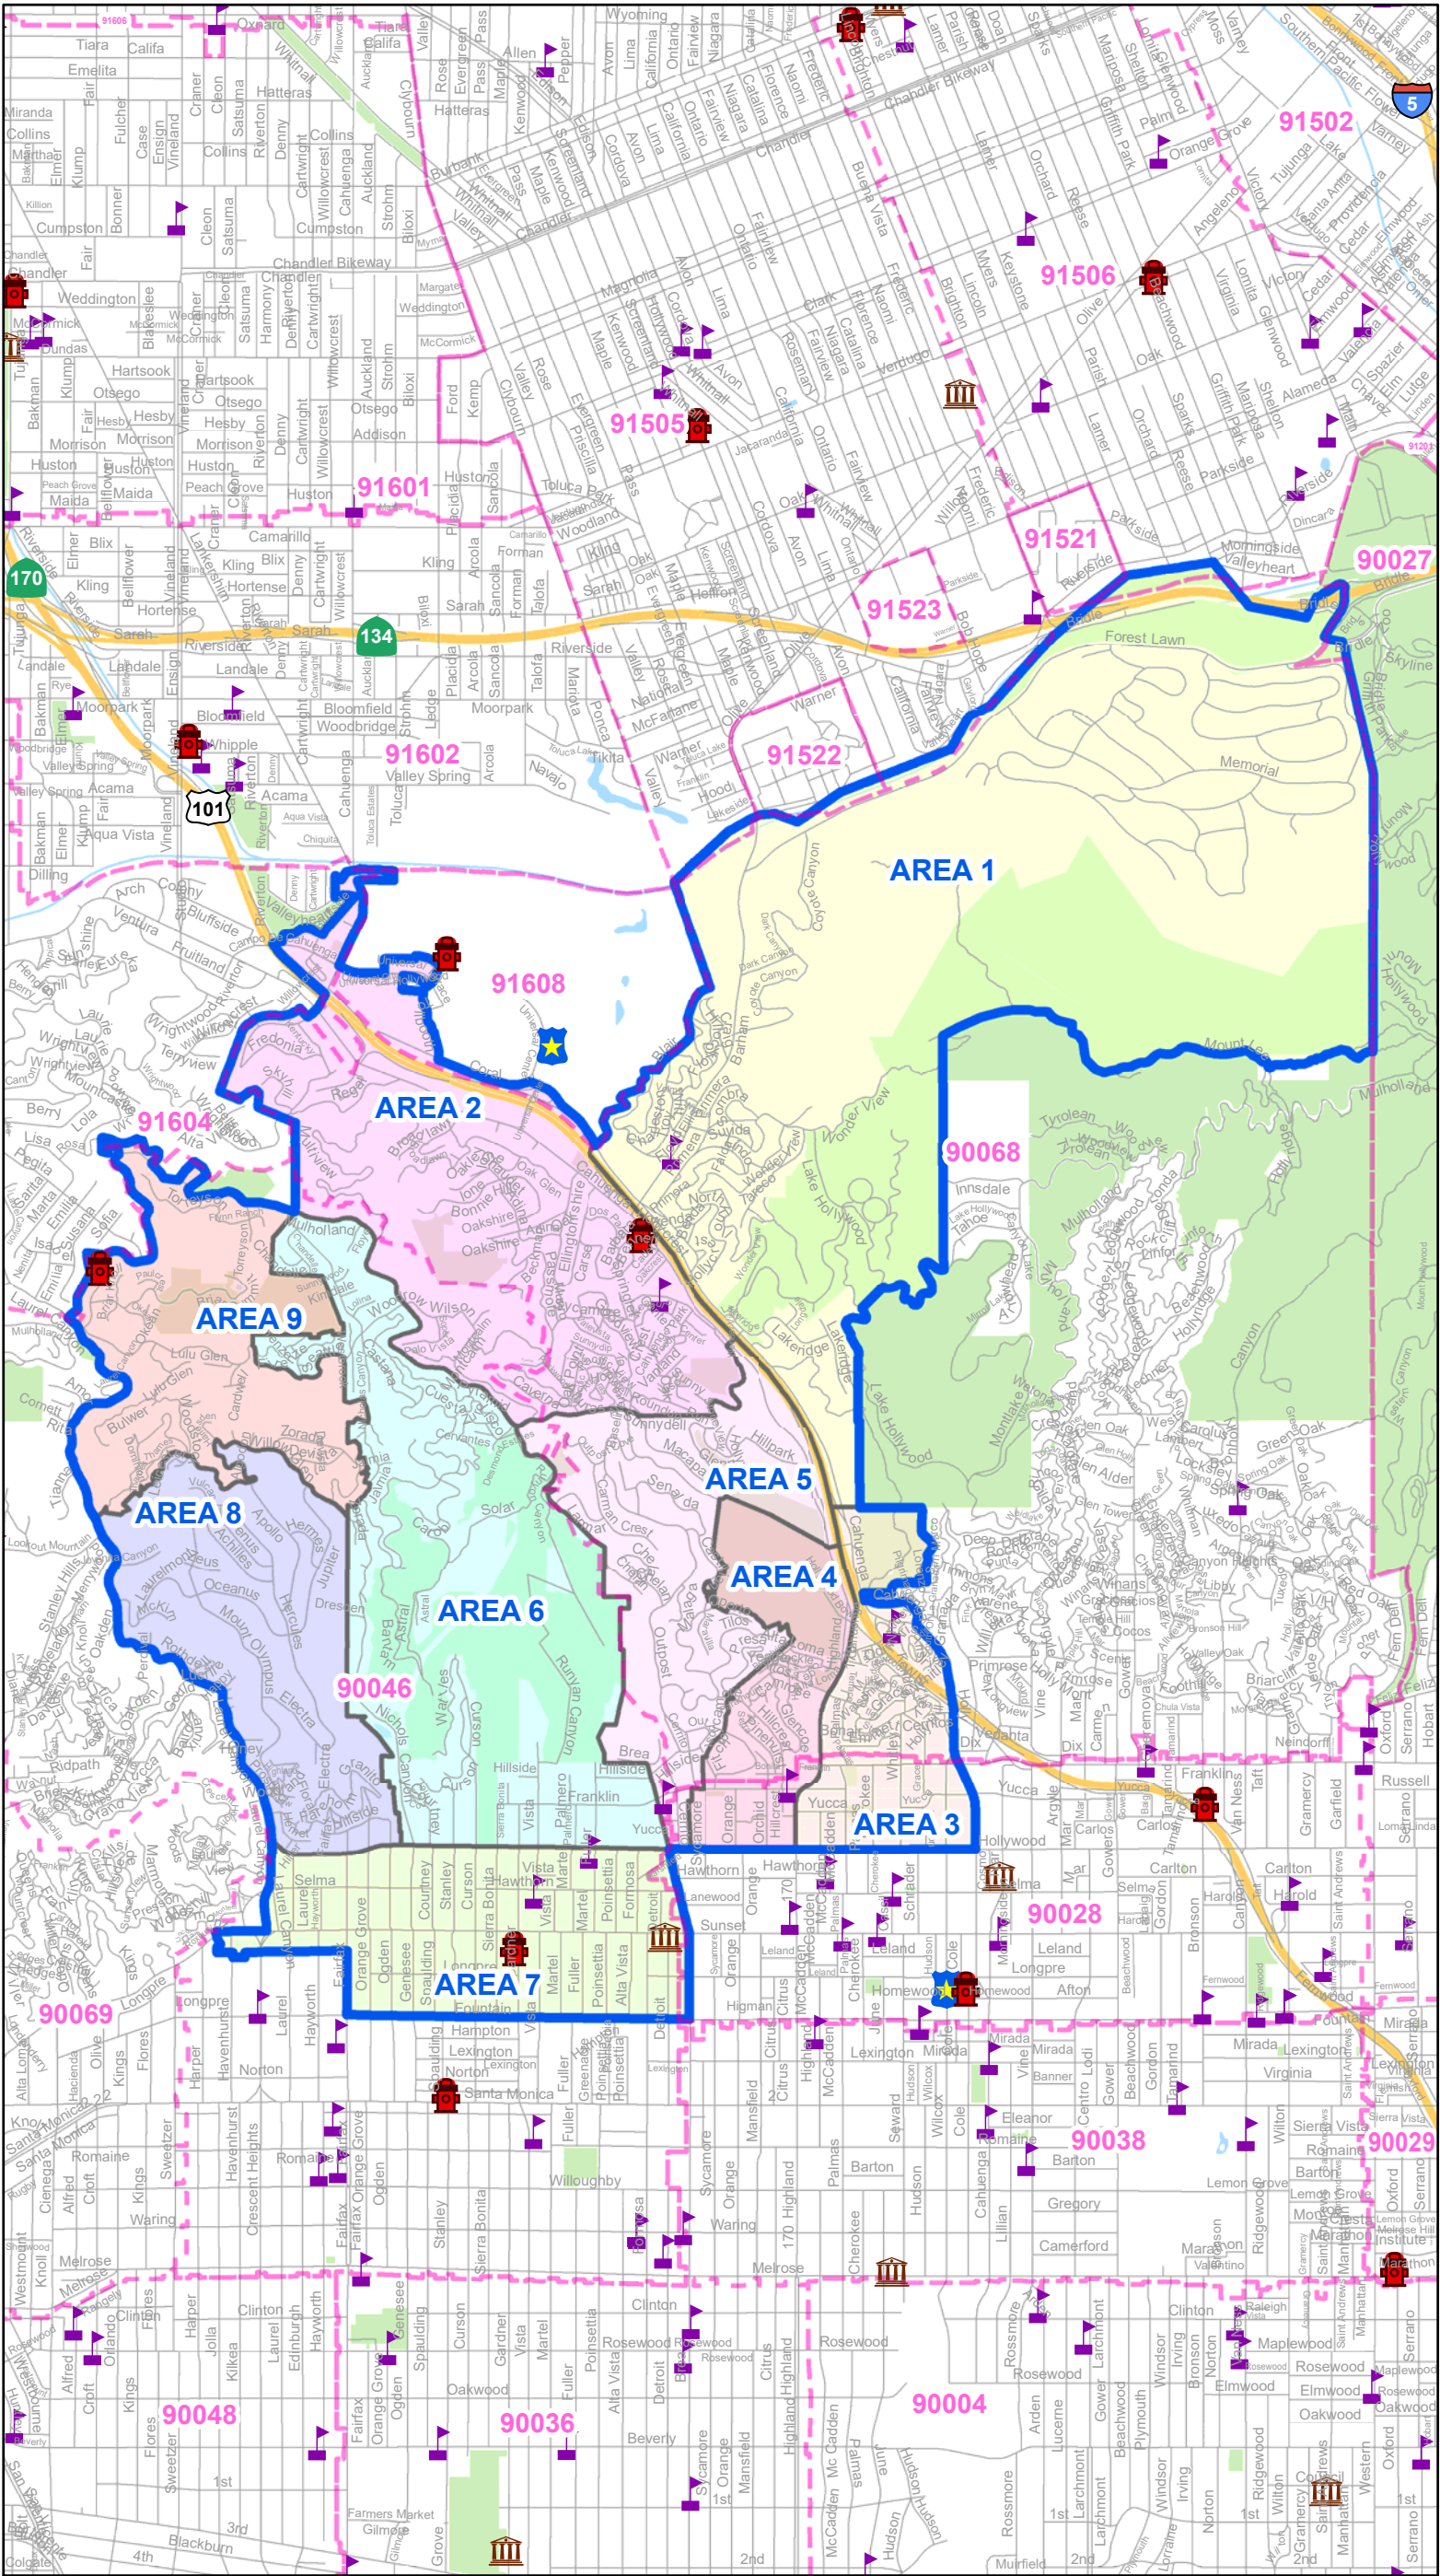

The HHWNC, its representatives, and all Stakeholders shall comply with these Bylaws and with any additional Standing Rules or Procedures as may be adopted by the Board of Directors as well as all

local, county, state and federal laws, including, without limitation, the Plan, the City Code of Conduct, the City Governmental Ethics Ordinance (*Los Angeles Municipal Code Section 49.5.1*), the Ralph M. Brown Act (*California Government Code Section 54950.5 et seq.*), the Public Records Act, the American Disabilities Act, and all laws and governmental policies pertaining to Conflicts of Interest.

Section 1: Code of Civility – While respecting all applicable laws of federal, state, and local government, leaders and Stakeholders of the HHWNC will endeavor to conduct HHWNC business in a professional and respectful manner, will refrain from violating Board Rules and shall abide by the Plan. The HHWNC leaders and Stakeholders will demonstrate the highest standards of personal integrity, truthfulness, honesty, and fortitude in all of our public activities in order to inspire confidence and trust in this Council. Board members will abide by the Commission’s Neighborhood Council Board Member Code of Conduct Policy.

Hollywood Hills West Neighborhood Council

Standing Rules

Adopted by HHWNC Board March 16, 2016

Purpose of Standing Rules

The Purposes of any Standing Rules are to provide rules and to establish procedures for the conduct of HHWNC's business when rules and procedures are not provided in HHWNC's Bylaws.

Committee Meetings

These general guidelines for committee meetings apply to Area Committees, Issue Committees, the Planning, Land Use Management (PLUM) Committee and Ad Hoc Committees.

Conduct of Meetings. HHWNC Board members shall try to conduct the Council's business in a respectful and courteous manner. They shall conduct meetings in a manner that encourages stakeholder involvement and free expression regarding public issues.

Required Meetings. The HHWNC Bylaws require that Area and Issue Committees meet a minimum of four times per calendar year. Each Committee Chair is responsible for preparing meeting agendas and meeting minutes. The Committee Chair is also responsible for having meeting agendas and meeting minutes of all meetings posted on the HHWNC website and sending emails to the Committee stakeholder list to provide notice of any upcoming meetings to those stakeholders.

In the case of meetings held jointly by more than one Committee, each Committee Chair shall be credited for having held a meeting. The Committee Chairs shall decide amongst themselves who will prepare and post the meeting agenda and meeting minutes.

If a Committee Chair organizes a community event involving HHWNC stakeholders, the Committee Chair shall be credited with having held a "meeting" for the purposes of complying with the HHWNC Bylaw requirement to hold at least four meetings per calendar year.

Meeting Cost Guidelines. Committee meetings shall be held within HHWNC's boundaries in an ADA accessible public location unless the Department permits otherwise. Committee Chairs may purchase and/or be reimbursed for the cost of meetings with a maximum budget of \$200 per meeting. This guideline applies to individual or joint Committee meetings. Committee Chairs should strive to hold meetings in locations that do not charge a fee. If a Board member has materials photocopied for a meeting and charges the expense to the HHWNC account at the copy store, they shall inform the Treasurer of the charges by email and shall provide the original receipt for such copy charges to the Treasurer at the next Board meeting.

Motions Forwarded to HHWNC Board. If a Committee passes a motion that is intended to be forwarded to the full Board for action, the Committee Chair shall submit the motion to the President for consideration to be put on the next Board meeting's agenda. The Committee Chair shall provide a tally of the vote of stakeholders on the motion at the Committee's meeting, and provide appropriate supporting materials (e.g., location map, description of proposed action, event or activity, amount of funding requested) so that the Board's members are provided with information about the motion's specific provisions.

Planning, Land Use Management Committee

Purpose of the PLUM Committee. The role of the Planning, Land Use Management (PLUM) Committee is to review planning and land use matters within the boundaries of the HHWNC and to make a recommendation to the Board with regard to such matters. This includes advising the Board on positions related to all requests for discretionary agency action, which include, but are not limited to, variances, conditional use permits, zone changes, certification of environmental clearances (including exemptions, mitigated negative declarations and environmental impact reports) and development applications.

Membership. All of the PLUM Committee members shall be members of HHWNC's Board and shall include the First Vice President as well as Committee Chairs for:

- Transportation
- Business
- Infrastructure
- Housing
- Environment

If any of these Committee Chairs choose not to serve on the PLUM Committee, the President may appoint another Committee Chair to serve on the PLUM Committee.

The Area Committee Chairperson(s) representing the area(s) in which any item on the agenda is located, is(are) encouraged to attend the PLUM Committee to present the feelings of the Area Committee stakeholders and shall have a vote on the PLUM Committee for that agenda item.

Committee Structure (Chair/Vice Chair). The Chair of the PLUM Committee shall be the HHWNC First Vice President. The PLUM Committee shall elect a Vice Chair, who shall chair the PLUM Committee if the Chair is absent or unavailable.

Other Standing Rules

Voluntary Tasks

At a newly elected Board's first meeting or at the start of each calendar year, the President shall ask Board members to volunteer for the following duties: (1) Arranging refreshments at Board meetings, (2) Overseeing posting of items on HHWNC's website, (3) Posting of Board meeting agendas on public sites, such as bulletin board, (4) going to HHWNC's mail box to pick up, read, and inform other Board members about the mail which HHWNC receives. At the first meeting of a newly elected Board or at the start of each calendar year, the Board members who have successfully completed the Department's Treasurer training course and who are eligible to serve as a second signatory on Demand Warrants shall also be identified and approved by the Board.

Eligibility to Act as a Board Member

The Parliamentarian shall maintain a list of Board members and the dates of their Ethics and Funding training completion and shall determine Board members' eligibility to vote at HHWNC Board meetings.
