**Reference Table for motion in Agenda item 11.b**

#	Action Title	Action Description	Parties Involved
1	LA Phil to recognize the nuisance	On page 13, Section 6.2 of the Hollywood Bowl Lease, it states that the Los Angeles Philharmonic Association shall not “commit any nuisance or knowingly do or permit to be done anything which may result in the creation or commission of a nuisance”. The LA County, LA Phil and Live Nation should recognize the nuisance they are creating with regards to the neighborhood traffic	LA Philharmonic
2	LA Phil to publicize initiatives they are working on to address the nuisance	Hollywood Bowl/LA Phil to prepare a public document that is posted online and accessible to all community members that outlines: 1. any accomplishments made; 2. any initiatives evaluated but not implements; and 3. any active initiatives that are “work in progress” to address the known neighborhood nuisances caused by the Hollywood Bowl (e.g., noise, traffic, etc.)	LA Philharmonic (consultant Gibson?)
3	LA Phil to be more inclusive in their Advisory Board Meetings and Senior Management to actively participate in community meetings	The current Hollywood Bowl Advisory Committee is not inclusive of all community members/stakeholders and is not meeting the entire needs of the community. LA Phil Senior Management is not fully engaging with the community members/stakeholders on the identified issues and proposed solutions. The specific requests are to: 1. Make the advisory board more inclusive (add members) to ensure all stakeholder voices are being heard; and 2. In addition to the hired consultant firm, Stratiscope, LA Phil Senior Management to attend the public HHWNC Joint Committee Meetings and actively participate in listening to stakeholders concerns and jointly problem solving and enacting solutions.	LA Philharmonic

Please provide the location and responsibilities of these 12 cops and solicit community feedback on their effectiveness.	LA Philharmonic LADOT
5	Fund additional traffic cops during events	Bowl to pay for an additional 20 LAPD Traffic Cops during bowl event days at the following locations to do the following things: a. <b>Highland and Franklin</b> (at least 4 traffic cops) to control the traffic light to manually direct traffic and to prevent b. southbound Highland traffic from turning right onto Franklin <b>Outpost and Hillside</b> to prevent eastbound Hillside traffic from turning left onto Outpost Estates unless they are a resident/guest (have a yellow parking hang tag) and to prevent northbound Outpost Drive traffic from continuing onto Outpost Drive unless they are a resident/guest (have a yellow parking hang tag) Same at <b>Hillcrest and Franklin</b> c. #	Action Title	Action Description	Parties Involved
6	Establish additional transportation demand management programs like a free trolley shuttle	Collaborate with Universal Studios to start a free trolley shuttle that makes a constant loop between Universal Studios and the Hollywood Bowl to further encourage patrons to park at the Universal Studios garages/lots and take free trolley/shuttle to the Hollywood Bowl.	LA Philharmonic LA DOT CD4 CD13
7	Establish a “neighborhood/ community impact” budget line item that is funded and reported on annually	The Hollywood Bowl generates significant revenues from leased events, such as LIVE NATION, events. Take a portion of those revenues and create a separate “Neighborhood/Community Impact” budget/account that is funded and reported on annually. Post the financials/report publicly online for neighbors to see the investment made in the community to help address the nuisances made by Hollywood Bowl events.	LA Philharmonic
8	Change California State Transportation Regulations to allow for partial street closures during large venue events	Lobby (use existing lobby staff) for state legislation to change to allow local departments of transportation to do partial street closures for large venue events (see legislation request form document) which would allow residents/guests to get to their homes, but would prohibit pass through traffic.  Once legislation allows for partial street closures, implement on Camrose, Outpost, Milner and Whitney.	LA Philharmonic  California State Assembly District 46  LADOT
