Participants posed numerous questions, while sharing experiences from traffic distresses, as well as specific traffic mitigation ideas. The mutual goal was to find paths for immediate relief and longer-term resolution for oppressive transport and environmental conditions directly caused by influx in traffic from Hollywood Bowl events and often overlapping events occurring on the same nights within the area.

HOLLYWOOD HILLS WEST NEIGHBORHOOD COUNCIL –AGENDA
The Committee voted to Submit the following motion to the full board for consideration.

Motion: The HHWNC Board supports the Joint Committee request to submit the following six items to the listed recipients regarding the increasingly unfavorable impacts of Hollywood Bowl

traffic, particularly from an increased lease event schedule, as discussed at the Joint Committee Meeting, May 9, 2022 re: the Hollywood Bowl & Neighborhood Traffic.

Therefore HHWNC calls upon the LA Philharmonic/Hollywood Bowl, CD4, CD13, LADOT, LA County District 3, LA County District 5, to address and resolve the following neighboring community needs as quickly as possible:

 2. Neighbors and businesses can enter and exit their properties without extraordinary delay.
 3. Stakeholders have responsive communication channels to provide guidance and feedback on mitigation measures and progress, learn about updates, and community satisfaction regarding traffic mitigation & communication measurably increases over time.
 4. Neighborhoods have minimal noise impact from bowl traffic and/or operations.
 5. Neighborhoods have drastically reduced carbon emissions from Bowl traffic and operations.
 6. Traffic mitigation efforts demonstrate measurable improvements over time by encompassing the latest data research and community input (accounting for variety of Bowl event scenarios).
11. **General Public Comment on Non-Agenda Items** – Comments from the public on non-agenda items within the Board’s subject matter jurisdiction. No discussion allowed. Public comments are limited to 2 minutes per speaker.

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a **public benefit** and purpose, **open**, **accessible**, and **free of charge** to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs ([click here](#)) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A "Project Completion Report" template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.
 The purpose of the grant is to assist in funding the installation of a sprung dance floor at Yucca Community Center. Currently, the participants in the dance program must dance on a cement floor. The cement floor does not provide adequate support for the dancers to learn all the skills needed in ballet, latin, modern dance, yoga, etc. In order to prevent serious injuries to the participants, our dance instructor is limited to the skills she can instruct. In order to improve and elevate our dance program and provide more equal opportunities for the children in our programs, the dance floor is a much needed asset to the program and the center.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)
 Dance programs have been offered at Yucca Community Center since 2006. Participants have learned dance skills in the Yucca dance classes for 16 years. Many of the participants have participated and been taught by Beatriz for numerous years at Yucca for very low cost for the instruction. At this time, we are able to offer most dance classes to children 5 to 15 years old for a \$10 fee. This fee pays for 8 weeks of dance instruction for one hour dance classes once a week. If a family cannot afford to pay the \$10 fee, recreation and parks can provide a scholarship so they can attend for free. This grant will support the programs at Yucca by providing a sprung dance floor that can be used by ballet, karate, yoga, modern dance, latin dance. At this time, the following classes utilize the dance room and floor: latin dance, preballet, ballet 1, ballet 2, ballet 2, ballet technique, modern dance, yoga fitness, 2 karate clases. We have about 100 registrations for the spring session in those particular classes. We are currently limited to 10 participants in each class due to covid protocols. When covid protocols are lifted, we can register more participants in each class. The maximum capacity in the dance room for each class is 20 participants under pre or post covid regulations. More dance classes can be implemented in this dance room
